SKU: MastercreteInPlastic25Kg

Blue Circle Mastercrete 25kg

Mastercrete is the UK's bestselling cement , its multi-purpose ability makes it perfect for Concrete, Render, Bricklaying and Floor Screeds. Mastercrete has improved resistance to the cracks caused by freeze/thaw attack when compared to traditional cement. It produces a superior smoother and more consistent mix. And its weatherproof packaging means it's no problem to leave them outside in the rain. Multi-purpose cement offering a more workable mix and superior performance compared to ordinary cement

Enhanced resistance to freeze/thaw attack reducing cracking in your concrete

Weatherproof plastic packaging allows cement to be stored outside in all weather saving waste and indoor storage space

Shelf-life of up to six months allowing re-use in multiple jobs

Consistent Strength meeting all the conformity criteria in BS EN 197-1

Mastercrete is a quality assured cement with independent third party certification and carries a CE mark

Mastercrete's weatherproof packaging is 30% more environmentally beneficial than paper packed cement due to less material wastage

Recycleable packaging

Skin contact with wet cement, fresh concrete or mortar may cause irritation, dermatitis or burns
